Commanders – Over the last couple years I've asked for your help to identify Wisconsin's up and coming Legionnaires to possibly serve on National Committees and Councils.

I have also mentioned that PNC Dan and I have been working on a document spelling out the process/criteria we will use when recommending people to National.

Part of our process is to have our Department Committee chairs be on the matching national committee/council if Wisconsin has a slot.

This means the Department Commander has a part in some of the national appointments.

And District Commanders who recommend Legionnaires for Department Standing Committee appointment also have a hand in the process.

The Wisconsin American Legion College Alumni Association added **Article IV – Appointments Committee** to their By-Laws during the 2024 Convention.

This article has the Association President appointing a committee to help identify candidates for consideration.

The initial appointment recommendation paperwork is handed in during National Convention.

If you have someone you would like to recommend, please get me their information by August 4th.

Thanks, and enjoy the rest of your summer, Denise
