## **Just 75 years ago**

Onun B. Dahle, trudging along the sparsely settled prairies of the Town of Perry, on his way back from California, whence he had gone for the search of gold during the mad rush of 1848-50, decided to locate at the point now called Daleyville. He stopped here as he says in his autobiography, because the air seemed so pure and abundant, and the water so excellent. He opened up a store—the beginning of the Dahle Store in this community.

## **Just 50 years ago**

Herman B. Dahle, his son, started a store at Mt. Vernon. Here he operated until 1887, when he moved to Mount Horeb into our present quarters. Later on he took as his partner, his brother, J. Theodore.

## **Just 25 years ago**

Otto B. Dahle, the present manager, came into the business. Those of the two previous generations have now passed on.

## **Today**

The store still stands and is doing its utmost to serve the Community and to serve it WELL.

To uphold and defend the Constitution of the United States of America and the State of Wisconsin; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, state and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship, by our devotion to mutual helpfulness.
