This seventh edition of the Monona Directory has, as in the past, been organized, solicited and assembled by:

MONONA GROVE AMERICAN LEGION POST 429 as a community service, and as a means of obtaining modest revenue to pay for the Post's community projects. The directory, 4,000 in number, is distributed free of charge to all households and businesses in the City of Monona by a local group of supervised Scouts.

The total cost is assumed by the businesses who advertise in this directory. If you enjoy the directory, the advertisers would enjoy your patronage.

This directory is dedicated to the memory of Orlen Miller, Past Commander of Post 429 -- see page 3.

THE MONONA DIRECTORY

Kenneth Keller - Chairman

Appreciation is expressed to the advertisers. As you use the directory make note of these firms; the success they enjoy will contribute to the success of the City of Monona, and the surrounding area.

The maps found in the directory center section are official City maps.

This directory has been assembled and published by Edward Mayland, Incorporated.

Your attention is drawn to:

City of Monona information page 48 to page 51

City Officials pages 15, 65, and 94

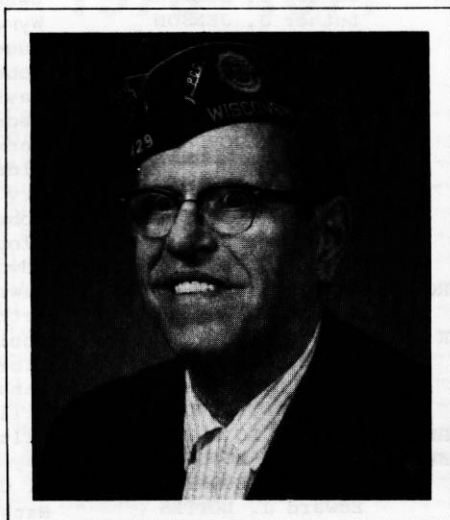

Churches in Monona and surrounding area page 98

Monona Organizations page 98 and page 99

The American Legion pages 2, 4, and 47

Classified Section page 52 to page 54

This, the Seventh Edition of the Monona Directory, is dedicated in the Memory of our departed Past Commander.

The AMERICAN LEGION

Perhaps the best known and the largest veterans organization in the United States is the American Legion. Each year the news media gives ample coverage to Legion funmakers at annual conventions, and Legion marching and color guard activities at patriotic events. Unknown to most Americans are the many humanitarian programs supported year around, without fanfare, by this organization.

In the city of Monona, Post 429 of the American Legion is active in the following events:

- * Memorial Day Parade - organization, planning and conducting.
- * Memorial Day Cemetery Decoration and Ceremonies - Blooming Grove and Roselawn Memorial.
- * Sponsorship of the Memorial Day weekend Carnival and food tent.
- * Flag Distribution. Sale of American flags to Governmental and school facilities, business establishments, and residents.
- * Solicitation of funds from business establishments, and personal contributions, to provide free flags given away during the Memorial Day parade.
- * American Legion baseball - currently contributing to two (2) teams.
- * Badger Boys' State. One (1) student from Monona-Grove High School and one (1) student from La Follette High School are sponsored.
- * Dane County Government Day. Two (2) groups of students, one (1) group from each of the aforementioned high schools are sponsored.
- * Oratorical Contest. One (1) winner from each of the aforementioned high school; each receiving a savings bond and qualifying for the opportunity to the following level of competition. In 1974, Monona-Grove High School representative David Clough advanced to State competition, having won local, county, district and regional presentations.

- * School Awards. A savings bond and certificate of achievement is awarded in the two (2) high schools. A medalion and certificate of achievement to Winneguan Jr. High. Winners are chosen for excellence in Scholarship, Citizenship and Leadership.
- * Veterans Day School Program, on a co-sponsorship basis with school staffs.
- * City of Monona Directory, published every two (2) years.
- * Badger Girls' State.
- * Volunteer Services at Veterans Hospitals.
- * Military Funerals for Veterans.
- * Claims service for Veteran; and their survivors where necessary.

Almost three million veterans belong to the American Legion, in 58 departments and more than 16,500 local posts. Are you a Legionnaire? If you are a veteran, you can and should belong to the American Legion;

CITY of MONONA

Monona was originally incorporated as a Village on August 29, 1938. Prior to that time it was a part of the Town of Blooming Grove. On April 1, 1969, Monona changed from Village to City status. The population of Monona in 1938 was approximately 1,000. The 1970 census indicates the population is 10,420. The growth of Monona from 1950 to 1960, was the largest increase, by growth (231 percent) of any City, Village or Town in the state of Wisconsin.

Since 1938, Monona has added its own Sanitary Sewer System. Water System (Wells, Mains, Reservoirs, etc.) and built and improved many miles of roads. In addition, good schools were built to serve the needs of the rapidly increasing population. Within the City today we have the Monona Grove High School, Nichols, Winnequah, Maywood and Immaculate Heart of Mary School.

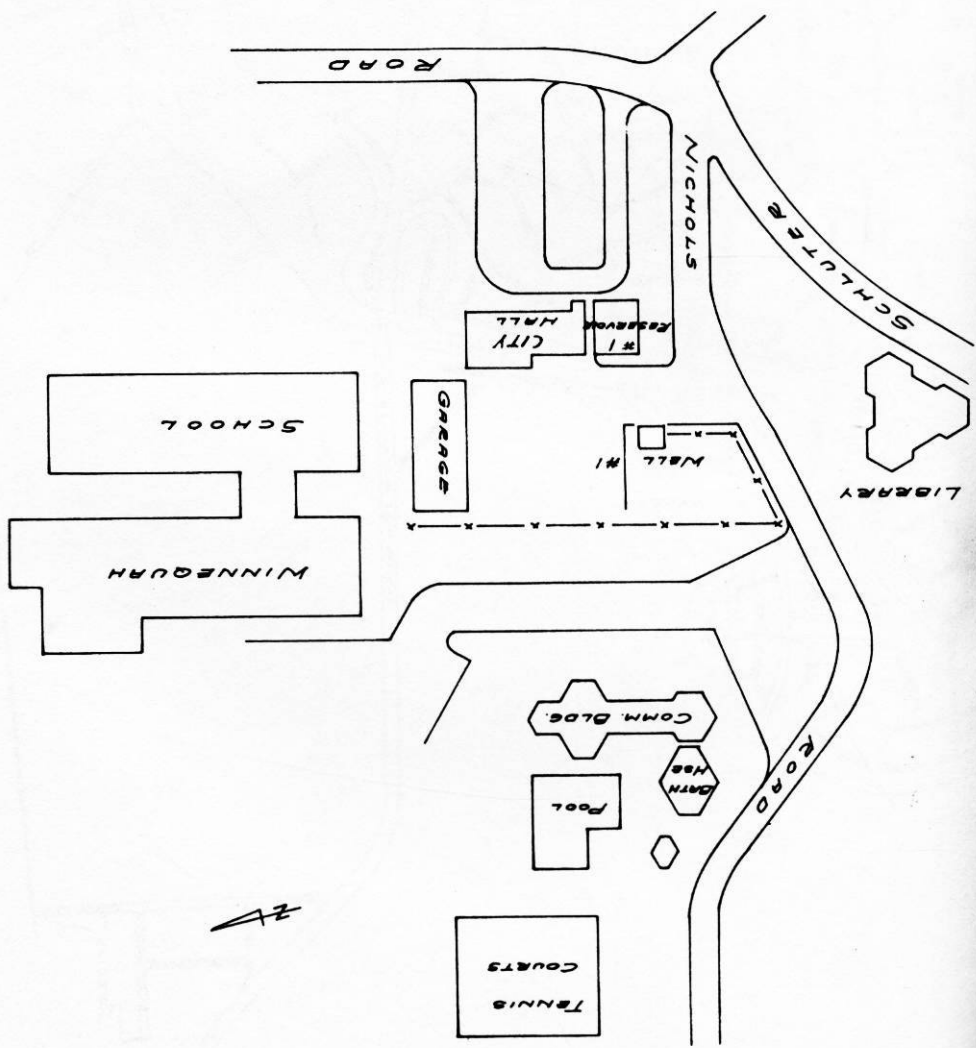

Many of the basic services (such as mentioned in the previous paragraph) are now complete, and therefore, the City is able to devote further time and money to the development of its park and recreation services and facilities.

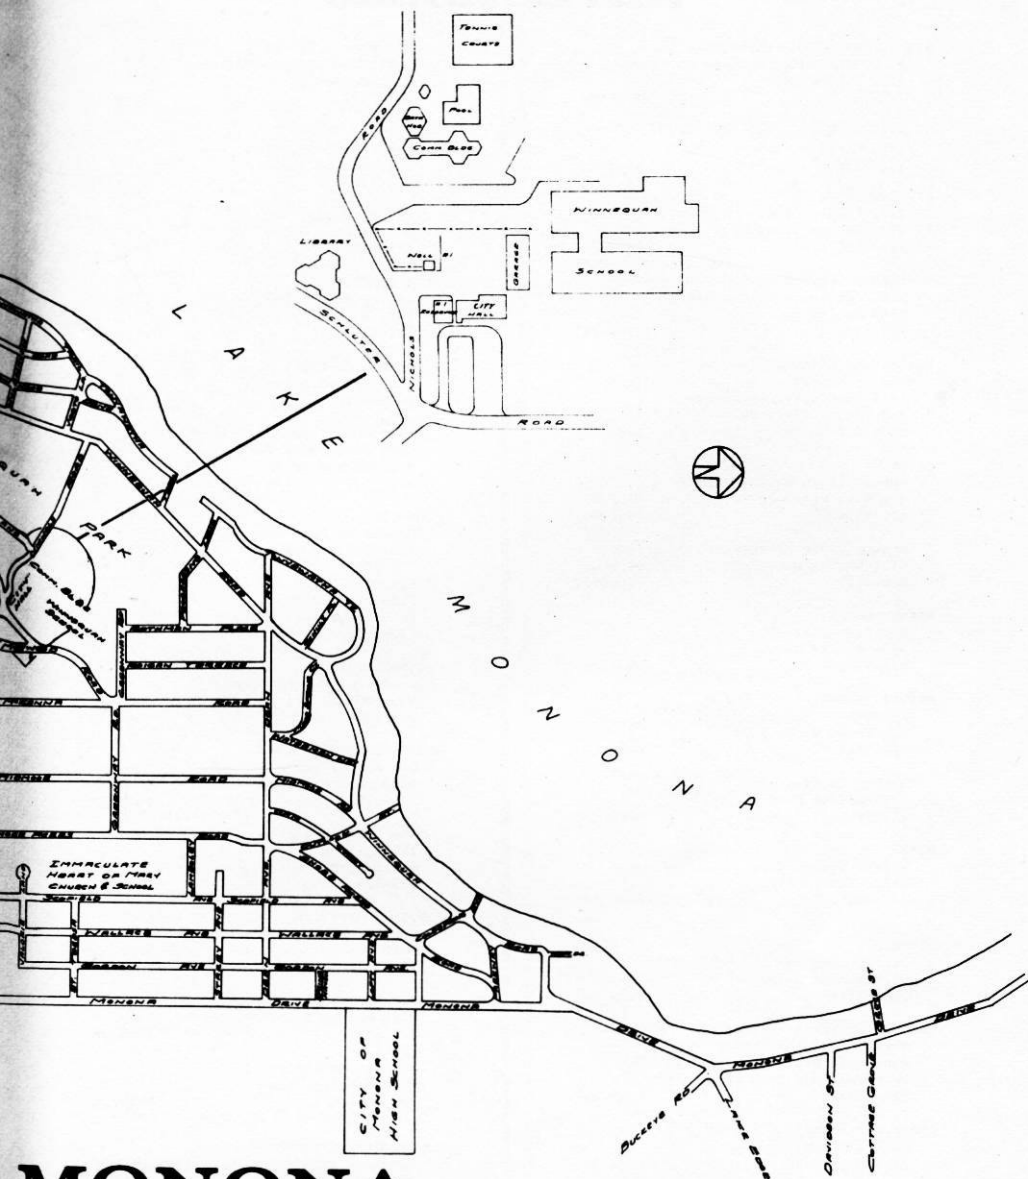

Presently there are seven neighborhood parks and one 52-acre Community Park developed in Monona. In the Community Park are facilities available such as: A two-level Community Center, Youth Center, swimming pool, tennis courts, picnic areas, shelter houses, baseball diamonds, horseshow courts, tot lot, play areas, etc.

In 1967, the old Black Bridge across the Yahara River and on Bridge Road was replaced, and a new Library building was built across from the City Hall on Nichols Road. In 1973 the old City Hall was replaced with a new facility housing the Police Department, the Fire Department, and the City Administrative offices.

The tennis courts are located in Winnequah Park (indicated "Winnequah Park" previous map). Winnequah Park is 52 acres in size, has lagoons with foot bridges, three little league baseball diamonds, a regular baseball diamond with bleachers at which the Monona Grove Lakers play many games each summer, two shelter houses available to groups by reservation, a tot lot, many picnic tables, a lighted, sheltered skating rink in wintertime and a regulation size hockey rink. Winnequah Park is the location of the annual 4th of July fireworks display and the annual Monona Fun Day (2nd Sunday of August).

This is your Monona government complex, located on the map on the preceding page as the heart of the City of Monona. The City Hall houses the police and fire departments and city offices. Across the street from the City Hall is the Library and to the west of the Hall is the Community Center, Swimming Pool and Winnequah Park.
